- Open your trial
- View room number you assigned

Review

- How is a section placed in the wizard?
- How is a teacher assigned?
- How is a department loaded?
- How is a full load run?
- How can sections be auto-filled as they are placed?
- What is the process for saving?

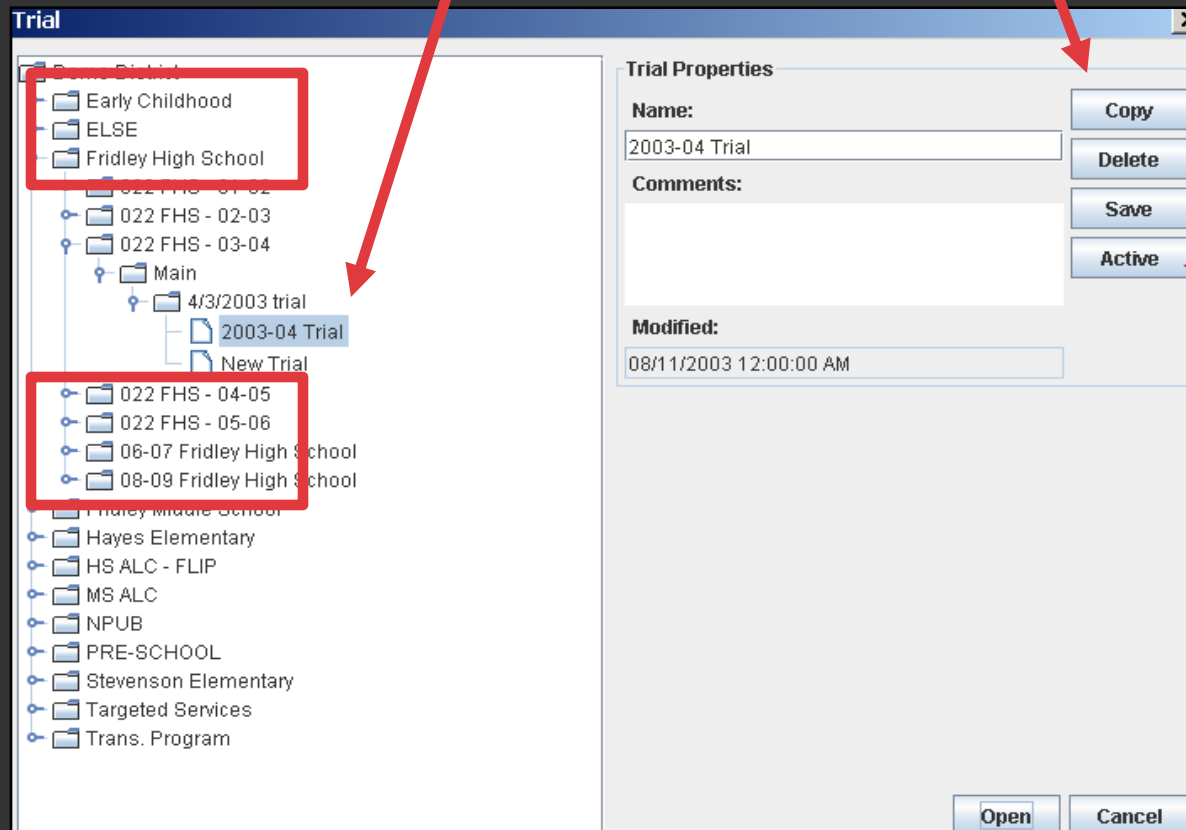

Trials

A trial is a version of the master schedule

Copying a trial allows work already saved to be kept while different options are tried

Schools

Calendars

Making a trial active allows modifications made in Wizard to be seen in web interface
